CHEMISTRY AT INTERFACES (HARDBACK)

Elsevier Science Publishing Co Inc, United States, 1990. Hardback. Condition: New. New. Language: English. Brand new Book. Chemistry at Interfaces provides an introduction to the fundamental concepts in interfacial chemistry. It aims to provide students and research workers who have not had training in a school of surface chemistry with the means to set up and use interfacial techniques and to interpret measurements. For this reason, more emphasis is given to experimental details and to the associated pitfalls than most...

Reviews

The very best pdf i ever go through. It can be rally intriguing throgh studying time period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Macey Koelpin**

This pdf is definitely worth getting. I have got read and i am sure that i will going to read once more yet again in the future. I discovered this pdf from my dad and i encouraged this book to find out.
